A Variety of Clients... An Assortment of Services

Since its inception in 1987, On Our Own, Inc. has strived to meet the needs of individuals with challenging behaviors. Towards this goal we offer a varied array of services...

BEHAVIORAL ASSESSMENTS

A comprehensive functional analysis of behaviors which interfere with developmental growth or functioning in home, school or community. Behavior assessments involve direct observation within the environment where the behavior occurs. Parents and caregivers confer with a qualified behavior specialist to develop a complete evaluation of the individual's behavioral needs.

BEHAVIOR SUPPORT PLANS

Individualized plans that assist individuals to change inappropriate behavioral patterns, develop more effective interpersonal skills, and enhance their overall joy of life.

PARENT/CARE GIVER TRAINING

Training and support in the acquisition of more effective parenting skills and positive behavioral change strategies.

SKILLS TRAINING AND SUPPORT

Personal assistance, vocational, community and independent living skills training to assist with transition and adaptation to living independently in the community.

SCHOOL AND RESIDENTIAL SUPPORT SERVICES

Support to educators, students, and care-providers that require extra assistance:

- ◆ Functional Behavioral Assessments
- ◆ IEP Consultations
- ◆ Team Collaboration
- ◆ One-To-One Behavioral Assistants

BEHAVIORAL RESPITE SERVICES

Facilitate a break for caregivers by providing specially trained staff who are skilled in providing supervision, support, and care for children, adolescents, and adults who have special service requirements.

COMMUNITY-BASED DAY

PROGRAM SERVICES

Supporting adults who participate in daily activities within their communities with an emphasis on skills training, personal expression, making choices and community integration.

PROFESSIONAL PRESENTATIONS AND IN-SERVICE TRAININGS

Development and facilitation of in-service trainings breaking down complicated behavior management theory into concepts that are easy to understand and implement in the home or classroom.

INDEPENDENT LIVING SERVICES

One-To-One training and support focusing on health, problem solving, interpersonal skills, bus training, and basic everyday tasks of living independently.

SOCIAL/SEXUAL SKILLS TRAINING

Individual and/or group training is provided to assist individuals with developmental disabilities to make safer and more appropriate interpersonal life choices.
